

# James Madison University Parking Services

Parking and Transit Services is committed to supporting the university's educational mission through the effective management of campus parking facilities and alternative transportation options with an emphasis on providing courteous, responsive and professional customer service to all constituents.

## 1 Who are We?

Parking services is a department at JMU that is in charge of anything and everything regarding parking on campus. This is the office that distributes parking permits, tickets, and makes sure that the lots are kept clear and maintained.

## Student and Faculty Parking Passes

## 2

Parking permits are available while supplies last and are a first come first serve basis. There are different kinds of passes with different prices to correlate with where you live and park. Prices range from \$50-\$300, the full price breakdown is online.

## 3 When and Where to Find Best Spot

When you purchase a pass there are specific areas that you are allowed to park in. These are listed online and on the signs by the garages and lots. Garages fill up fast, there are live spot counters on the parking services homepage.

## Avoiding Tickets 4

- Make sure to have a purchased pass associated with your vehicle
- Park in lots and garages that are labeled for student parking
- DO NOT park illegally even if others are doing it

## 5 More Information

To find more information please visit the parking services website here: <https://www.jmu.edu/parking>
